

## Rabbit polyclonal antibody to human XIAP-associated factor 1 (283-301): Affinity purified

<b>Catalogue No.:</b>	R-1129-100
<b>Description:</b>	XIAP-associated factor 1 (XAF1) binds to X-linked inhibitor of apoptosis (XIAP) and antagonizes the anticaspase activity of XIAP. XAF1 is expressed in all adult and fetal tissues but is frequently down-regulated in cancer cell lines. At least 7 isoforms of XAF1 are produced by alternative splicing.
<b>Batch No.:</b>	See product label
<b>Unit size:</b>	100 ug
<b>Antigen:</b>	A synthetic peptide (QEKCRLWASSKGGKQVRNFS) corresponding to a region (283-301) from the C-terminus of human XIAP-associated factor 1. To enhance the immunological response, this peptide was coupled to carrier protein BSA.
<b>Other Names:</b>	BIRC4-binding protein; XAF1; BIRC4BP; XIAPAF1;
<b>Accession:</b>	Q6GPH4 XAF1_HUMAN;
<b>Produced in:</b>	Rabbit
<b>Purity:</b>	Affinity purified on antigen column
<b>Applications:</b>	Immunohistochemistry (IHC) and Western Blotting (WB). A concentration of 1.0 ug/mL is recommended for WB. Human XIAP-associated factor 1 (isoform 1) has a predicted length of 301 residues and MW of 35 kDa. A concentration of 0.5-1.0 ug/mL is recommended to detect the protein in formalin fixed and paraffin embedded tissues. Antigen retrieval is required. Biosensis recommends optimal dilutions/concentrations should be determined by the end user.
<b>Specificity:</b>	The specificity of this antibody has been confirmed by WB and IHC against the antigen.
<b>Cross-reactivity:</b>	Human; rat; predicted to react with mouse due to sequence homology;
<b>Form:</b>	Lyophilised with 5mg BSA, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg Thimerosal, 0.05mg NaN <sub>3</sub>
<b>Reconstitution:</b>	Reconstitute in 100 uL of sterile distilled water to achieve an antibody concentration of 1 mg/mL. Centrifuge to remove any insoluble material.
<b>Storage:</b>	At least 12 months after purchase at 2-8C (lyophilized formulations). After reconstitution, aliquot and store at -20C for a higher stability. Avoid freeze-thaw cycles
<b>Expiry Date:</b>	12 months after purchase
