**When you need the best reagents, trust Biosensis**

Biosensis offers you over 900 highly characterized antibodies that work

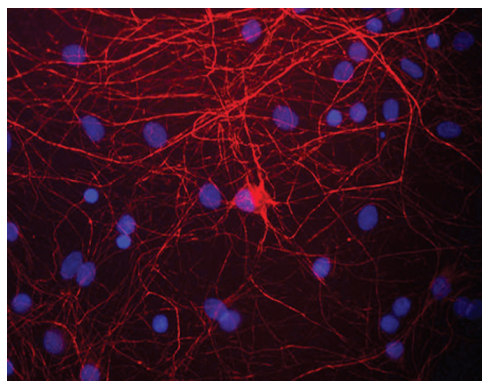

- Apoptosis
- Autophagy
- Cancer
- Development
- Diabetes & Obesity
- DNA Damage
- GPCRs
- Growth Factors
- Immunology
- Matrix Molecules
- **Neuroscience**
- Stem Cells

## ANTIBODIES

**C-1393-50** Chicken polyclonal antibody to Neurofilament Medium

**R-3770-100** Rabbit polyclonal antibody to NeuN/Fox3 (1-99): Whole serum

**C-1399-50** Chicken polyclonal antibody to Peripherin

## ELISA KITS

### Mature BDNF *Rapid*<sup>TM</sup> ELISA Kit: Human, Mouse, Rat

Biosensis is proud to offer the Mature BDNF *Rapid*<sup>TM</sup> ELISA Kit. For the detection of Mature BDNF isoform independently of the proBDNF isoform.

Now measure Mature BDNF in serum, cell culture supernatants and brain extracts in our new *Rapid*<sup>TM</sup> format which means in less than 3 hours!

**Catalogue No:** BEK-2211-1P/2P

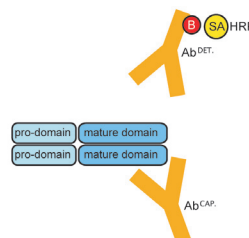

New Publication: Polacchini A et al. (2015) Sci Rep

#### Mature BDNF *Rapid* ELISA Kit Catalog No: BEK-2211

For the detection of Mature BDNF independently of the proBDNF form.

 = Capture Antibody  
 = Biotinylated Detection Antibody  
 HRP = Streptavidin-HRP

Full length proBDNF  
~ 5.3% Cross Reactive

Mature  
100% Reactive
